Press Review

▶▶▶ Economy

Xinhua

▶ [Real estate spending spree in UK will create many jobs](#)

Chinese investment in British real estate has increased remarkably and will continue in the coming years, industry insiders say.

AFP

▶ [Eurozone banks will be allowed to fail, regulator tells FT](#)

The incoming head of Europe's new single banking supervisory authority has warned that weak eurozone banks will be allowed to fail following upcoming stress tests, in an interview in Monday's Financial Times.

WBPOOnline

▶ [USD/JPY: Yen firmer as current account gap comes in below forecast](#)

The Japanese yen firmed up against the US dollar shortly after government data revealed the current account deficit widening in December, but by less than analysts had predicted.

Scoop

▶ [NZ dollar little changed as markets digest US jobs report](#)

The New Zealand dollar was little changed as investors mulled the significance of a weaker-than-expected US jobs report on Friday ahead of Federal Reserve chair Janet Yellen's inaugural testimony in front...

France24

▶ [Hollande heads to Washington, alone](#)

When François Hollande sits down to dinner with Barack Obama at the White House on Tuesday, many eyes will be fixed on the "empty chair" beside the French president, following his split with Valérie Trierweiler after reports of an affair.

BBC

▶ [Swiss immigration: 50.3% back quotas, final results show](#)

Swiss voters have narrowly backed a referendum proposal to bring back strict quotas for immigration from European Union countries.

▶▶▶ Markets

MarketWatch

▶ [Asian shares higher as region recovers from selloff](#)

Asian markets were higher Monday, as the region continued to recover from last week's brutal selling.

CNBC

▶ [Brent slips towards \\$109 after touching 5-week high](#)

Brent crude eased back after hitting a five-week high above \$109 a barrel on Monday as investors look ahead to more U.S. and Chinese economic data this week that could shed greater light on the demand outlook in the world's two largest oil consumers.

▶▶▶ Blogs

Katie Farrant, Mika Inkinen, Magda Rutkowska, Konstantinos Theodoridis

▶ [What can company data tell us about financing and investment decisions?](#)

The investment decline in the UK that has followed after the recent crisis is hardly a surprise.

Ritchie King

▶ [The complete US jobs report for January in two simple charts](#)

The US economy added 113,000 jobs in January, falling short of expectations. The unemployment rate dropped to 6.6%.
