Gantdaily.com

▶ [Japan current account returns to surplus in February](#)

The current account in Japan swung back to surplus in February from the previous month's record deficit as income from overseas investments offset trade and services deficits.

NASDAQ

▶ [Australian Business Confidence Falls](#)

Australian business confidence fell in March to the lowest level since September's Federal election, while business conditions rose slightly, a national business survey showed Tuesday.

▶ [How to loosen the banks-sovereign nexus](#)

The 'deadly embrace' between banks and their government has strengthened with the EZ Crisis. This column argues that this has mostly been consequence rather than a cause of the Crisis.

Livemint

▶ [A foreign policy manifesto for the next government](#)

Now that the Bharatiya Janata Party's (BJP's) manifesto is finally out, comparisons with those of the Congress and Aam Aadmi Party (AAP) are inevitable
