Press Review

▶▶▶ Economy

Federal Reserve

▶ [Minutes of the Federal Open Market Committee](#)

The information reviewed for the March 18-19 meeting indicated that economic growth slowed early this year, likely only in part because of the temporary effects of the unusually cold and snowy winter weather.

The New York Times

▶ [Chinese Exports and Imports Unexpectedly Fell in March](#)

China's exports unexpectedly fell in March, and its imports dropped even more sharply, but the significance of the data for the Chinese economy was clouded by uncertainty over the extent to which exporters and importers...

Fxtimes

▶ [FOMC Meeting Minutes: 3 Key Points and the USD-Negative Reactions](#)

The market started the week softening the USD across the board. We saw rallies in EUR/USD, GBP/USD, AUD/USD, and declines in USD/JPY, USD/CHF, and USD/CAD just to name a few USD-crosses.

Investing.com

▶ [JPY weakens after machinery orders fall more than expected](#)

The Japanese yen weakened further on Thursday after machinery orders fell more than expected, while bank lending rose as expected.

Euronews

▶ [Greece: debt laden, but looking to borrow again](#)

International financial markets are watching closely as Greece's government tests the water by borrowing up to 2.5 billion euros.

CNNMoney

▶ [Fear is driving the market again](#)

CNNMoney's Fear and Greed index shows fear to be the driving factor in market sentiment, thanks to worries about the Fed, slowing earnings growth and concerns that stocks got too hot in 2013.

Businessweek

▶ [Asian Stocks Erase Gains After China Trade Data; Citic Advances](#)

Asia's benchmark stock index erased gains as data showed an unexpected fall in exports from the region's biggest economy.

Al Arabiya News

▶ [Gold price near two-week high amid Ukraine tensions](#)

Gold was trading near its highest in two weeks on Wednesday, bolstered by signs of increasing demand in China and as rising tensions over Ukraine burnished its safe-haven appeal.

▶ [A surprise drop in exports signals that China's slowdown is for real](#)

China's March trade data just came out, and it's not pretty—especially not after February, when exports sustained their biggest drop since the global financial crisis.

Satyajit Das

▶ [China's Debt Vulnerability](#)

Western understanding of China has never greatly progressed beyond Charles de Gaulle's statement that: "China is a big country, inhabited by many Chinese".
