▶ [Australia Jobs Outpace Forecasts, Unemployment May Have Peaked](#)

Australian jobs growth outpaced expectations for a third month running in April and helped keep the jobless rate from rising, further evidence that unemployment may have peaked far earlier and lower than even...

The Star Online

▶ [China trade surplus rises to US\\$18.45bil in April](#)

China's exports and imports rose marginally in April, official data showed Thursday, rebounding from sharp declines the month before, with the country reporting a second straight trade surplus.

▶ [Yellen: US economy still needs help on jobs 'slack' and 'disappointing' housing activity](#)

There was a mixed assessment from the head of the US central bank, Janet Yellen, on Wednesday as she said the country's economy still needed lots of support because of "considerable slack" in the jobs market.

Bloomberg

▶ [There May Be a Tapering of Tapering: Konyn](#)

Cathay Conning Asset Management CEO Mark Konyn discusses the U.S. economy and Fed Chief Janet Yellen's comments that stimulus is...

Reuters

▶ [Putin's Ukraine move shows wariness of overplaying hand](#)

Vladimir Putin's call for pro-Moscow separatists to postpone an independence referendum in eastern Ukraine shows the Russian president has achieved as much as he can for now without taking the potentially catastrophic step...

EurActiv

▶ [Ukraine crisis eclipses trade pact at EU-Japan summit](#)

The EU and Japan called on Russia today (7 May) to avoid worsening the crisis in Ukraine and Brussels threatened further sanctions, seeking to calm growing violence that could put Ukraine's presidential elections at risk.

▶ [Asian stocks rise as Yellen signals Fed support](#)

Equity markets in Asia gained momentum on Thursday after a speech overnight from Federal Reserve Chair Janet Yellen endorsed the central bank's continued support in the recovery of the world's largest economy.

ICN.com

▶ [Gold plummets for a second day while crude climbs slightly](#)

Gold prices plummeted for the second straight day in New York as a rebound by the dollar crimped demand for the precious metal as an alternative asset, knowing of course that these two have an inverse relation while that...

▶ [United States: ISM indices point to GDP growth of around 3.0% in April](#)

We see encouraging signs that the US economy gained more traction in April, following a weather-induced weak Q1. We remain quite optimistic for Q2.

Gwynn Guilford

▶ [Alibaba is betting it all on the Chinese government's ability to reform](#)

Forget global conquest. It looks like Alibaba will keep backing the horse it's been riding: China's explosion of retail spending.
