► Consumers, businesses still sitting on fence

Faster consumer spending and business investment are widely expected to pump up the U.S. economy in the second half of 2014, but there's just one problem.

CNBC

► Economists lift 2nd-quarter US growth forecasts

Economists raised their forecasts for U.S. economic growth in the second quarter and through the balance of 2014, with a generally brighter outlook for both job growth and lower unemployment.

► EUR Bent But Not Broken

On this Bank holiday Monday either side of the pond, the two biggest market fears, the Euro and Ukraine parliamentary election results.

DailyForex

NZD/USD Daily Outlook- May 27, 2014

The NZD/USD pair did very little during the session on Monday, but with both the Americans and British celebrating holidays, it's not a big surprise of the Forex markets were fairly guiet in general.

Bloomberg

▶ Poroshenko Defies Russia With Vow on Anti-Rebel Operation

President-elect Petro Poroshenko set Ukraine on a collision course with Russia even before the last vote had been counted, vowing to step up operations to rein in separatists in the east of the country.

Spiegel Online International

► A Victory for European Democracy

Although voter turnout was down in many places and right-wing populists scored significant gains, this weekend's European Parliament election was historically important.
