WBPOne

▶ [Kocherlakota says benefits of low rates clearly outweigh risks](#)

FOMC voting Fed President Kocherlakota said asset prices levels are not yet calling for a tightening of policy which could curb the economy's recovery.

RT

▶ [Russia and N Korea switching to trade in rubles](#)

Russia and North Korea have agreed to settlements in rubles in all trade between the two countries.

CNBC

▶ [The ECB eases and the euro... rises?](#)

The euro is resisting the European Central Bank's (ECB) all-out assault on the specter of deflation, surprising the market with its continued rise, and some analysts believe it won't weaken anytime soon.

Bloomberg

▶ [Dollar Set for Best Week Versus Yen Since April Before Payrolls](#)

The dollar headed for its biggest weekly gain since April versus the yen before a U.S. report that economists say will show employers added more than 200,000 jobs for a fourth month in a recovery...

DW

▶ [Germany's Merkel meets Ukraine's Poroshenko in Berlin, pledges support](#)

Chancellor Angela Merkel has said Germany stands ready to support Ukraine's president-elect Petro Poroshenko as he tackles the crisis his country faces. Poroshenko will be sworn in on Saturday.

EurActiv

▶ [Cameron's group challenges liberals as kingmakers in new Parliament](#)

The European Conservatives and Reformists (ECR) this week welcomed several new member parties that could make it the European Parliament's third largest group while weakening its rivals.

U.S. News

▶ [Oil price declines despite drop in US crude supplies as refined products rise, hiring slows](#)

Crude oil declined in price Thursday after an unexpectedly large drop in U.S. stockpiles was offset by rising supplies of refined fuels.

BBC

▶ [Asia stocks rise after 'unprecedented' ECB actions](#)

Asian stocks rose after the European Central Bank introduced aggressive easing measures aimed at stimulating the eurozone economy.

▶▶▶ Opinions

Brendan Conway

▶ [Gold Traders Will Take That from the ECB, Yes They Will](#)

The price of gold is on the rise Thursday after central bankers in Europe set a negative interest rate for bank deposits for the first time in the history of the European Central Bank.

Steve LeVine

▶ [The US and Russia may be headed for a gas war in Asia](#)

Asia seems bound for a natural gas shakeup pitting the US against Russia—which could benefit consumers, but also deal a potential hard blow to current and future producers, such as Australia and east Africa.
