Quotenet

▶ [U.K. Industrial Output Growth Accelerates In April](#)

U.K. industrial production expanded notably in April, signaling that the sector started the second quarter on a strong footing.

Finances

▶ [Italy Grows GDP](#)

The Italian National Institute for Statistics has just released final Gross Domestic Product (GDP) data for the country's first quarter. Numbers remain little changed from the preliminary data received earlier and continue to show a reduction in the growth contraction scenario.

CNN

▶ [Football: Who does Brazil belong to?](#)

A handful of protesters began to goad the police. Hundreds of officers marched past burning barricades and cars.

Reuters

▶ [Mini-stimulus shows China struggles to let go](#)

Not long ago all the talk in China was about market-driven reforms, but a closer look at the its mini-stimulus reveals micro-management by policymakers, says Breakingviews' Peter Thal Larsen.

MarketWatch

▶ [Gold extends bounce, rises above \\$1,260](#)

Gold futures extended their rebound Tuesday, pushing above \$1,260 an ounce as traders await economic data later in the week and take cues from global risk appetite.

The Wall Street Journal

▶ [U.S. Stocks Open Slightly Lower](#)

U.S. stocks opened with slight losses, putting an extension of the recent streak of record-high closes in doubt.

▶▶▶ Opinions

G. Sampath

▶ [The 2014 Fifa hunger games](#)

Probably the best thing about the 2014 Fifa World Cup is that the competitors don't have to kill each other in order to win.

The Editors

▶ [A Better Way to Fix Student Loans](#)

President Barack Obama announced steps today that he says will make student loans more affordable. That may be good midterm politics, but his tinkering isn't much help for a system of college financing that's spinning out of control.
