Reuters

▶ [Gold hits 2-month high as stocks, dollar retreat](#)

Gold hit a two-month high on Tuesday and silver reached its highest since mid-March as a drop in European shares after soft German economic data and a weaker dollar helped the metal build on last week's gains.

MarketWatch

▶ [European stocks turn lower, hurt by growth worries](#)

Stocks in Europe swung to losses Tuesday, after a reading of German business confidence failed to meet expectations and underscored concerns about sluggish economic recovery in the euro zone.

▶▶▶ Opinions

Jason Karaian

▶ [Even more than usual, German businesses see trouble ahead](#)

The last time we checked in on German business leaders, they were in a somewhat grumpy mood.

Niranjan Rajadhyaksha

▶ [Lessons from an economic recovery](#)

Disinflation and fiscal discipline were critical to the recovery from the late-1990s downturn.
