BBC news

▶ [Pound falls after Bank of England minutes released](#)

The pound has fallen after the majority of the Bank of England's Monetary Policy Committee (MPC) remained against raising interest rates, according to minutes from the October meeting.

Reuters

▶ [U.S. consumer prices barely rise as energy costs fall](#)

U.S. consumer prices rose marginally in September as energy costs fell broadly, painting a weak inflation picture that should give the Federal Reserve ample room to keep interest rates low for a while.
