A decade of China-US currency friction?

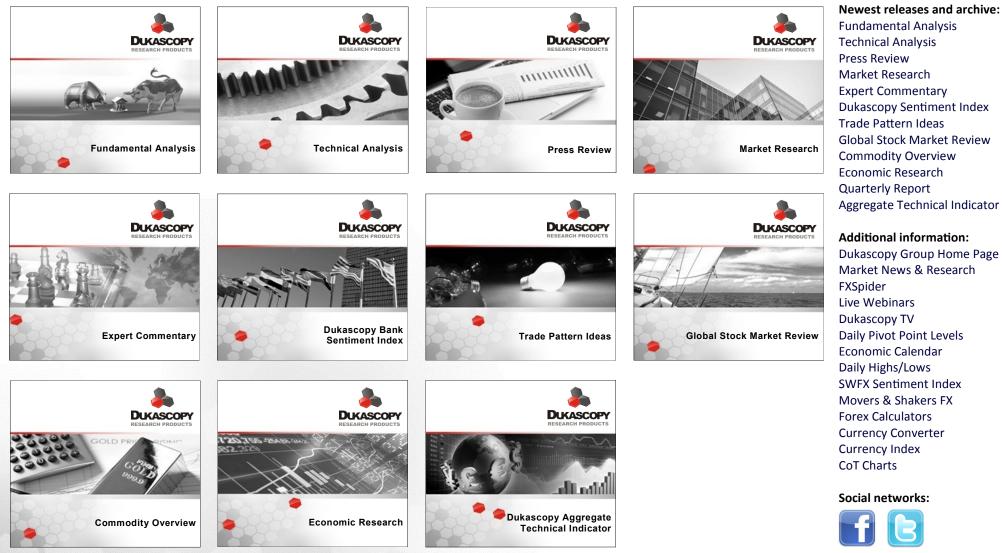

As the U.S. dollar is appreciating and beginning to reduce net exports, Democrats and Republicans are again talking about legislation to counter what they perceive as unfair currency undervaluation.

James Picerno

► <u>3 Numbers: India disinflation fears; US industrial output; US housing</u> Monday's a slow day for economic news, although the update on India's wholesale inflation numbers will provide new context for gauging deflation risk beyond the developed world.
