James Picerno

- ▶ [US Economic Data Skews Positive In Releases This Week](#)

A week has passed since we learned that the growth rate for US payrolls in March suffered a dramatic slowdown for the monthly comparison.

Ken Veksler

- ▶ [When is a rally not a rally?](#)

I wrote yesterday that I believed we'd see further USD buying continue but to not to the degree that would initiate fresh peaks in the DXY – well, here we are.
