Sumantra Maitra

- ▶ [How will the UK elections change British foreign policy?](#)

In my last column, I presented a primer on the parties in the upcoming British general parliamentary elections.

Neil Staines

- ▶ [Underrated US versus overrated Eurozone](#)

US economic data has disappointed expectations over recent weeks. Throughout this period, we have maintained the view that the recent "dip" understates the current economic momentum in the US and that if you strip out the weather and seasonal negatives, as well as the supply disruptions...
