FXStreet

▶ [AUD/USD sees little action after China data](#)

The AUD/USD pair remained largely unchanged around 0.7065 after the data in China showed a drop in the factory output and a resilient household spending.

Market Watch

▶ [Dollar slips as investors shift away from selling the yen](#)

The dollar was lower against the yen and the euro during the Asia session Wednesday, with position adjustments by investors leading the relatively thin trade.

Reuters

▶ [Oil prices drop on rising stockpiles, Japan recession fears](#)

U.S. crude oil prices fell in Asian trading on Wednesday after industry data showed an increase in U.S. stockpiles, while fears that Japan's economy may have fallen into recession added to demand woes.

The Business Times

▶ [Gold edges up as dollar dips, still near 3-mth low on US rate view](#)

Gold ticked up on Wednesday as the dollar pared some of its recent gains, but the metal remained under pressure near a three-month low as outflows from bullion funds and an anticipated US rate hike weighed on the market.

James Picerno

▶ [UK job data won't spoil the macro party](#)

Wednesday's a light day for economic releases, which will provide a bigger-than-usual spotlight on today's monthly update of the UK labour market.

John Rubino

▶ [Portugal: Grexit Scenario Only Bigger?](#)

Portugal has entered a phase change, with potentially huge ramifications. After handing a parliamentary majority to a coalition of leftist (i.e., anti-austerity, anti-euro, anti-NATO) parties, and then trying to prevent them forming a government, the country now looks likely to stand back and let it happen.
