► EU bailout fund rescues Greece's top bank Luxembourg

The eurozone's bailout fund rescued Greece's largest bank on Tuesday, launching a recapitalisation process that is a crucial part of the country's...

Business Insider

The thing that has investors most terrified has a few people saying bring it on

There's been a lot of hand-wringing from big-time money managers over the idea of bond-market liquidity, or lack thereof.

DEPOSITION

Investing.com

Dollar remains moderately lower, ISM report ahead

The dollar remained moderately lower against the other major currencies on Tuesday, but still close to an eight-month peak as investors eyed an upcoming report on U.S. manufacturing activity amid growing hopes for a December rate hike by the Federal Reserve.
