

This how i would like strategy to open long positions

Strategy to place TP @ 1.0829
42 pips - 2 x the SL distance

Strategy to open a long position
@ 1.0787

7.00AM Candle
21st March 2017

7.00AM Candle high 1.0787

7.00AM Candle low 1.0768

19 pips between the High and Low price

Strategy to place SL @ 1.0766
21 pips

IN THIS SITUATION THE STRATEGY SHOULD TAKE A LONG POSITION AS THE PRICE BREAKS THE HIGH OF THE 7.00AM CANDLE
