Press Review

▶▶▶ Economy

Business Insider

▶ [China's economy is weak, but not broken](#)

In November, I wrote about the massive pollution problems in China and the gigantic investment opportunity in the cleanup.

China Daily

▶ [Investors keep close eye on fate of US immigration program](#)

Chinese investors are closely watching the fate of a key immigrant program in the United States, which could potentially determine whether they would continue to apply for US citizenship through this channel.

▶▶▶ Currencies

FXStreet

▶ [EUR/GBP ignores German CPI](#)

The EUR/GBP cross turned a blind eye towards the German CPI and trades above the 5-DMA located at 0.7224.

Market Watch

▶ [Dollar bounces back from one-month lows](#)

The dollar rose on Friday in Asia after hitting one-month lows against the euro and the yen earlier this week amid uncertainty over the pace of U.S. interest-rate increases.

CNBC

▶ [We can achieve 1% growth in 2015: SNB governor](#)

Thomas Jordan, governor of the Swiss National Bank, says negative inflation is not optimal but is part of the adjustment...

Bloomberg

▶ [Are All Central Banks Waiting for the Fed to Move?](#)

Alan Higgins, chief investment officer at Coutts & Co, discusses central bank policy decisions and their impact on the currencies.

▶▶▶ Politics

The Business Times

▶ [Climate talks go into overtime, deal expected Saturday](#)

Sleep-starved envoys tasked with saving mankind from catastrophic climate change aim to wrap up a historic Paris accord on Saturday after battling through a second all-night session of United Nations talks, the French hosts...

The Guardian

▶ [Cameron ready to give way over ban on in-work benefits for EU migrants](#)

Prime minister signals flexible stance over mooted four-year ban after meeting Polish PM and opposition from other EU states.

▶▶▶ Markets

WBP Online

▶ [Oil at Lowest Since Feb 2009 as Output Remains High](#)

US crude futures stayed near their lowest levels since February 2009 on Friday amid worries the supply glut is likely to persist into next year.

Reuters

▶ [Asia stocks head for weekly loss, China yuan hits four-and-a-half-year low](#)

Asian shares were set for sizable weekly losses, with equities faltering again on Friday as plunging crude oil prices and a tumble in China's yuan to almost 4-1/2-year lows added to worries about receding global growth.

▶▶▶ Opinions

Jani Ziedins

▶ [Should We Really Fear Another Dip In Oil?](#)

Thursday was the first up-day this week as the S&P 500 struggles to resist oil's slide to multi-year lows. But "up-day" is a relative term since we only finished four-points to the positive following three-days of losses that...

Juhani Huopainen

▶ [US retail sales a sideshow, Fed hike a formality](#)

The Federal Reserve's policy meeting next week is already hurting investor activity levels, and the general lull associated with the quiet year-end has also arrived.
