Dollar rises as investors focus on Fed meeting

The dollar was moderately higher against the yen in Asia trade Monday, after dip buying helped mitigate earlier losses despite risk averse sentiment.

CNBC

Yuan hits 4-1/2-year low as China aims to loosen peg to dollar

China's yuan hit a fresh 4-1/2-year low to the dollar on Monday, after the central bank said it had begun publishing a yuan exchange rate weighted against a basket of currencies, a move that will eventually loosen the...

European Stocks Seen Little Changed After Selloff

European stocks are poised to open largely unchanged on Monday following the previous session's steep sell-off.

Reuters

Asia stocks drop as oil rout deepens, yuan extends slide

Asian stocks fell on Monday and China's yuan hit fresh 4-1/2 year lows as plunging oil prices added to investors' nervousness about riskier assets ahead of an expected U.S. rate rise later in the week.
