RTT News

▶ [China Manufacturing Activity Deteriorates Further](#)

China's manufacturing sector continued to contract in December on weak orders and a renewed fall in output, reflecting the complexity in achieving its ambitious growth target for 2015.

WBP Online

▶ [Fed's Fischer Fears Over Zero Lower Bound Real Rates](#)

The Fed's Stanley Fischer explained the risks associated with a permanently lower equilibrium real interest rate.

Reuters

▶ [U.S. oil 'strippers' maneuver to keep pumping amid crude slump](#)

U.S. "stripper well" operators, the nation's smallest oil producers seen as most likely to succumb to the crude price slump, are hanging in tough, reducing the chances of near-term production cuts needed to rebalance the domestic oil market.

Market Watch

▶ [Asian markets slide on fears of stalling Chinese economy](#)

Shares across Asia tumbled Monday, the first trading day of the year, after the latest signal that China's economy is stalling.

Mark Mead Baillie

▶ [Out With The Gold And In With The \(Stock Market\) Screw](#)

That title pretty much sizes up where we are in transiting to the new year. As was the case in 2013 and 2014, Gold throughout 2015 continued to be outed, disparaged and impugned; we now see 2016 as the year the general...

James Picerno

▶ [Mild reprieve expected for US manufacturing](#)

It's back to business for the new year, which kicks off with a busy day of economic reports. Among the highlights: updates of survey data for the manufacturing sector on both sides of the Atlantic.
