Bloomberg

▶ [Meet 2016's Worst Economic Performers Flirting With Disaster](#)

For the world's worst-performing economies, no good will come from New Year's resolutions to do better. For many, 2016 will only bring more disappointment, say economists surveyed by Bloomberg.

RTT News

▶ [China Inflation Rises Slightly In December; PPI Down](#)

China's consumer price inflation increased marginally in December on rise in food prices but it still remained well below the government's target.

FXStreet

▶ [EUR/USD wobbles around 1.0920](#)

After bottoming out in the 1.0900 neighbourhood during the Asian session, EUR/USD is now hovering over the 1.0920/30 band.

WBP Online

▶ [AUD/USD: Aussie Bounces Back From 4-Month Lows](#)

After suffering a bruising end to the week the aussie recovered slightly on Monday and rose from four-month lows, although China and commodity concerns still persist.

The Business Times

▶ [Oil prices slip further on China worries](#)

Oil prices fell further on Monday on persistent worries about China's growth slowdown and a supply glut, but analysts said tensions between producer giants Iran and Saudi Arabia could provide some support.

Market Watch

▶ [China stocks drop again, dragging Asian markets](#)

China shares slid Monday, and losses in other regional markets deepened, as a rout that knocked trillions of dollars off global stocks last week ricochets back to Asia.

Stephen Pope

▶ [Calm down, disastrous start doesn't mean equities story is over](#)

The new year certainly made a horrendous start as all 22 of the major indices I follow at Spotlight Group booked a loss. Please see the table below for a summary of their performance.

John Rubino

▶ [The Shrinking Global Economy In 3 Charts](#)

Regular contributor Michael Pollaro offers three more charts which tell a story that's both disturbing and apparently misunderstood by a lot of mainstream analysts.
