## Japan's prosperity is holding it back from making needed reforms

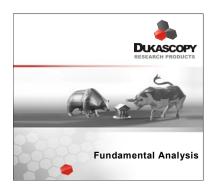

The Japanese economy is a paradoxical mixture of prosperity and failure. And, in a significant way, its prosperity makes its failures difficult to address.

#### He Yafei

### ► The G20 expectation

Expectations are high for the Group of 20 (G20) Summit that will be held in September in Hangzhou, a garden city in east China's Zhejiang Province. It is the first time that China will host and chair the summit.
