Press Review

▶▶▶ Economy

EconoTimes

▶ [Euozone's July banking data underpins moderate growth expectations](#)

The market turbulence after the Brexit vote was feared to have an adverse effect on euro area's bank lending. But the July data does not underpin the strongest fears as credit growth remained positive and downward trend in interest rates continued.

Market Pulse

▶ [Expect Whiplash Price Action Ahead of NFP](#)

Data yesterday saw the U.S economy add other +177k private sector jobs last month, proof that job creation remains strong, with most industries and companies of all sizes adding solidly to their payrolls.

Market Watch

▶ [Dollar hits one-month high against yen, turns choppy ahead of jobs report](#)

The dollar gained against the yen Thursday, as choppy trading persisted before release of the closely watched U.S. jobs data on Friday and its potential clues for the near-term fate of interest rates.

FXStreet

▶ [GBP/USD holding PMI-led strong gains to 1.3250 ahead of US ISM](#)

The GBP/USD pair maintained its strong bid tone and is now building on to its break-out momentum above 1.3200 handle to currently trade around mid-1.3200s.

CNBC

▶ [Jobs report to lead the Fed?](#)

Stephen Parker, JPMorgan Private Bank Head of Thematic Equity Solutions, and Lindsey Piegza, Stifel Fixed Income Chief Economist, discuss the upcoming August jobs report and whether it would merit a rate hike from the Fed.

Bloomberg

▶ [Kotok: Negative Rate Concern Grows and Grows and Grows](#)

David Kotok, chairman at Cumberland Advisors, discusses growing concerns over negative interest rates.

Business Insider

▶ [Theresa May is making the same, big mistake David Cameron made about Brexit](#)

Britain's newly installed prime minister Theresa May is making one of the biggest mistakes her predecessor David Cameron made when he tried to negotiate better membership terms for staying the European Union...

Reuters

▶ [Trump returns to hardline position on illegal immigration](#)

Republican presidential nominee Donald Trump vowed on Wednesday that anyone who is in the United States illegally would be subject to deportation if he is elected, sticking with his hardline position after flirting with a softer...

Investing

▶ [Futures rise ahead of economic data](#)

U.S. stock index futures were higher on Thursday ahead of a raft of economic data, including a crucial jobs report on Friday.

The Business Times

▶ [Oil gains as Saudis see steady output after US stockpiles rise](#)

Oil rose after dropping the most in a month as Saudi Arabia said it won't boost output to capacity and flood a market that's contending with a global inventory overhang of crude and fuel supplies.

▶▶▶ Opinions

Leonid Bershidsky

▶ [Why Central Asia is less stable than it appears](#)

Important news rarely comes from countries whose names end with "stan," but the hospitalization of Uzbekistan President Islam Karimov after he suffered a stroke last weekend is noteworthy indeed.

Liu Zongyi

▶ [G20 shouldn't be distracted by geopolitics](#)

The 11th G20 summit is set to convene in Hangzhou, East China's Zhejiang Province, on September 4-5.
