The Straits Times

- ▶ [Singapore consumer prices pick up pace with 0.7% rise in February but core inflation eases](#)

Singapore's consumer price index rose at the fastest annual pace in more than two years in February, figures from the Department of Statistics on Thursday (March 23) showed.

The Business Times

- ▶ [Fed research signals inflation overshoot possible, but is it tolerable?](#)

The Federal Reserve has begun preparing the public and markets for higher inflation, but has left unanswered the question of how high inflation might go and for how long?

Business Recorder

- ▶ [Rising yen bucks fundamentals, gives Japan a diplomatic breather](#)

The Japanese yen's recent rise against the dollar has defied conventional market wisdom, but a stronger currency may actually support Japan as it confronts the Trump administration on matters of trade and foreign exchange.

RTT News

- ▶ [Canadian Dollar Rises Amid Oil Prices Advance](#)

The Canadian dollar strengthened against the other major currencies in the Asian session on Thursday, as crude oil prices advanced after official data showed that gasoline stockpiles continued to fall last week.

Bloomberg

- ▶ [Why Bitcoin Has Been Hit By Extreme Volatility](#)

Luno CEO Marcus Swanepoel discusses bitcoin volatility and regulation. He speaks on "Bloomberg Markets Middle East."

CNBC

- ▶ ['No reason for Fed to be overly hawkish'](#)

Omar Slim of PineBridge Investments says the case for fixed income has strengthened over the past few months due to Fed expectations.

▶▶▶ Politics

EconoTimes

- ▶ [How the Spanish political laboratory is reconfiguring democracy](#)

On May 15, 2011, Spain was convulsed by one of the most spectacular popular uprisings in its history, and in the history of the modern democratic world.

Investing.com

- ▶ [Senate panel to weigh confirmation for SEC nominee Clayton](#)

Jay Clayton, the Wall Street attorney tapped by President Donald Trump to lead the U.S. Securities and Exchange Commission, will face questions on his vision for the agency at his confirmation hearing on Thursday before the Senate Banking Committee.

▶▶▶ Markets

Reuters

- ▶ [Asia stocks rise, but gains for dollar, oil capped by jitters](#)

Asian stocks edged up on Thursday, while the dollar's gains were limited as U.S. President Donald Trump's struggle to push through a healthcare reform bill raised doubts over whether he can win support for pro-growth economic policy measures.

Market Watch

- ▶ [Oil prices lifted by drop in U.S. gasoline stocks](#)

Crude futures rebounded Thursday after data showed U.S. gasoline and distillates stocks declined in the latest reporting week, signalling that refiners have returned from maintenance and crude demand in the U.S. is set to rise.

▶▶▶ Opinions

Lan Xinzhen

- ▶ [The lose-lose game](#)

The United States released on March 1 its 2017 Trade Policy Agenda and 2016 Annual Report of the President of the United States on the Trade Agreements Program.

James Picerno

- ▶ [UK retail sales set to strengthen in February](#)

The retail sales report for the UK will be a topical release in the wake of this week's news of stronger-than-expected inflation. We'll also see a new profile of consumer confidence in the Eurozone. Meanwhile, the Mexican peso's powerful rebound vs. the US dollar rolls on.
